

The Luna Clinic

EXCELLENCE IN WOMEN'S HEALTH

Treatment & Price List

Transparent, fair pricing for fertility, gynaecology and women's health services. A personalised, costed treatment plan will always be confirmed with you before treatment begins.

VALID FROM JULY 2026

Welcome

Our clinic is focused on delivering rapid, reliable and comprehensive health services. We are committed to offering transparent and fair prices to our patients.

All prices shown are in GBP (£) and reflect our standard fees as of July 2026. Following your initial consultation and a review of your clinical history, you will receive a personalised, clearly costed treatment plan. Prices are subject to change — please confirm current fees with our accounts team before starting treatment.

Important Information

- Prices are for guidance and are reviewed periodically; The Luna Clinic reserves the right to amend prices at any time.
- Medication and monitoring blood tests are not included in headline treatment prices unless stated, and vary between individuals and cycles.
- A personalised, costed treatment plan will be provided following your consultation and clinical review.
- The HFEA fee is payable on every treatment cycle in which an embryo transfer takes place.
- Cancellation and abandoned-cycle policies are available from our accounts team on request.
- If you require more detailed information on a particular service, please contact our team — we are happy to help you explore the options that suit your needs.
